OUTDOOR GRILLS & ACCESSORIES
**OPTIONAL GRILL FEATURES**

**Optional Sear Zone Kit**
Add intense searing heat to any Delsol grill with the optional sear zone kit. The sear zone delivers intense, direct heat that will sear foods quickly, locking in moisture and natural flavor. Kit Model DSSZ-KIT sold separately.

**Optional Rotisserie Kit**
All 40” and 32” Delsol grills include an integrated infrared rotisserie burner. Add an optional rotisserie kit, which includes a heavy-duty stainless steel motor, spit rod and rotisserie forks to enjoy delicious旋转式食物.
Note: Infrared rotisserie burner not available on 25” grill but rotisserie kit can be used with main grill burners. Kit Models: DSR32-KIT fits 25” & 32” grills, DSR40-KIT fits 40” grill. Kits sold separately.

**For installation in combustible construction.**

Allow minimum of 5 1/2" clearance from the grill’s rear edge (6 1/4" from cutout) to the backsplash to allow the hood to fully open.

Rotisserie Motor can be installed either on the right hand side or left hand side.

**DETAIL**

**COUNTERTOP OVERHANG**
Note: Designed to ensure a flush fit of all grills and the double-side burner.

*Add 6 1/4" from cutout to allow for hood opening.*

*Effective: November 2015*
